If you decide that you want to enhance your own company brand and build equity in what you have worked hard to build, consider a private label program.

## MARKETING & COMPLIANCE

### Catalogs

Small or large, build a catalog of your products customized for your brand.

### Tech Sheets

Make sure your customers know about your products and how to use them.

### SDS Sheets

We will register your company & SDS to keep you and your customers in compliance for you.

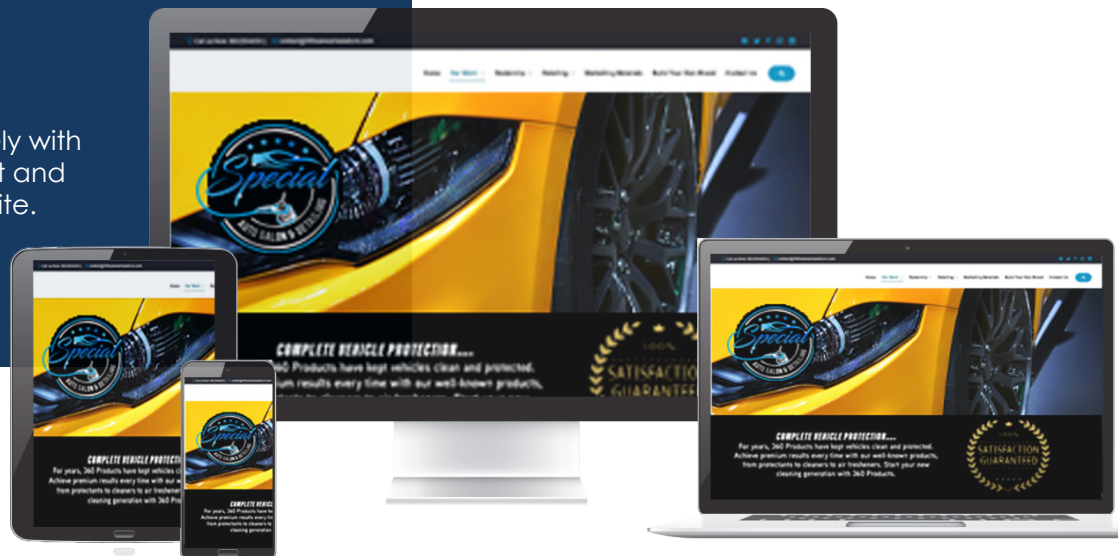

### Product Labels

Each label will market your brand while keeping you in compliance with safety standards

## WEBSITE

Our team will work closely with yours to build a vibrant and brand building website.

### PRIVATE LABEL PROGRAM:

A customer has only one chance to impress! We will work with you to develop and refine your own brand by utilizing picture quality labels and professional marketing material. All you need to do is provide your logo, place a minimum order, and we will do the rest. All of our labels are printed and designed in house by our label and production department.

As a private label customer you also have access to:

- Any of our products are available for formulation under your own brand name.
- Customizing of any our products is available. We can change colors, perfumes, foam levels, or almost any other factors to meet your specific needs.
- Complete design process. If you have a logo we will design everything else for you with our in-house design team. Don't have a logo, no worries, we will design one for you.
- Our in-house regulatory team will take care of making sure your company is registered with the appropriate safety companies, create Safety Data Sheets with your company name on them, we submit all Safety Data Sheets to the appropriate regulatory and safety companies on your behalf.
