With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

SURFACE CLEANING

CD High Foam

High Foaming Non Hazardous Cleaner For Equipment

What is CD High Foam?

A powerful non butyl cleaner/degreaser which removes the toughest grease and grime. Formulated with high foaming surfactants to build a deep foam when used through foaming applicators. It has been specially formulated to leave behind no sticky residues. Rinses easy. Formulated to meet USDA Standards for cleaners.

Benefits:

- Concentrated Formula.
- Great for foaming applicators.
- A Versatile Cleaner.
- Doesn't leave behind residue.
- Doesn't contain glycols.
- Removes hard stains without heavy scrubbing.
- Safe to use on all surfaces.
- Meets USDA standards for cleaning.

Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

Dilute with water to concentration:

FOR SURFACES: Dilute 4-6oz./gal of water

FOR FLOORS: Dilute 2 oz./gal of water

Make sure to use proper protective clothing when applying this or any chemical.
