With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PRE-SPOTTER

B-Gone Makeup & Mark

Citrus-Based Heavy Duty Laundry Pre-Spotter

What is B-Gone Makeup & Mark?

A product formulated to naturally degrease and lift soil for complete and safe removal from virtually any material. This special formulation will emulsify oils and grease from the surface, keeping them from re-depositing. B-Gone Makeup & Mark is also great for removing gum and other sticky residue from hard and porous surfaces. Just spray on, agitate, and rinse.

Benefits:

- Loosens tough embedded oils.
- Free rinsing formula.
- Extremely versatile product.

Precautionary Statements:

For institutional or commercial use.

Spotting Board Instructions:

Check all fabrics for colorfast before using!
Apply directly to stain. Work in thoroughly until stain loosens. Flush with wet steam, then dry with air gun.

Laundry Instructions:

Apply directly to stain, and let stand for at least an hour (the longer, the better).

Wash in hot water, 140 for colors and 165 for whites.

Dry Cleaning Instructions:

Apply directly to stain.
Launder through a dry cleaning machine.
