### **Core 3: Technology**

*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# FLOOR CARE

## Neutral

### Neutral pH Floor & Surface Cleaner

#### What is Neutral?

Neutral is a super concentrated, no rinse floor cleaner formulated with biodegradable surface active agents. Neutral removes surface dirt without reducing gloss. Additionally, Neutral lifts and neutralizes the haze commonly associated with chemical ice melt treatments. Available with Green Seal Certification.

#### Benefits:

- Neutral pH.
- Safe for use on any surfaces.
- Will not dull or harm floor finishes.
- Pleasant scent.
- Removes dirt quickly from surfaces.
- Great for cleaning gutters when used properly.

#### Directions For Use:

Spray on surface to be cleaned and wipe off with damp cloth. Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area.

All dilutions must be done using cold water.

#### Dilution:

**Regular Cleaning:** 1 to 2 ounces per gallon

If using a portable dilution center, connect Neutral to portable device, fill container, and then flush system if incompatible materials will be used.

Make sure to use proper protective clothing when applying this or any chemical.

#### Tech Specs:

Color.....Yellow  
 Fragrance.....Lemon  
 Form.....Liquid  
 Phosphates.....None  
 FlashPoint.....212F  
 pH.....7-8  
 Specific Gravity.....1.01  
 Viscosity.....Thin  
 Foam.....Moderate  
 Biodegradable.....100%  
 Shelf Life.....1 Year

Available Packages
