Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

MULTI SURFACE

Breakdown

Heavy Duty Multi Surface Cleaner & Degreaser

What is Breakdown?

A heavy duty degreaser and floor cleaner that is perfect for removing the toughest oils and fats. This product has been formulated for use in food prep and packaging areas where natural fats and oils are a problem. It has been fortified with potassium hydroxide to cut through natural fats and oils. It's special formula allows for deep penetration into uneven or nub nose floors. This perfect blend of detergents will remove grease and oils without the need for heavy scrubbing. This versatile product can be used in a wide variety of applications, ranging from auto scrubbers to mopping.

Benefits:

- Removes heavy natural fats and oils.
- Eliminates the need for heavy duty scrubbing.
- Removes heavy grease and oils from deep cracks and imperfections in almost any floor.
- Can be used as a heavy duty cleaner, degreaser, or floor scrub.
- Breaks down build up in drains from fish and meat prep.

Instructions:

For institutional or commercial use.
