**Core 3: Technology**

*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# FLOOR CARE

## Crete Clean

### Powdered Heavy Duty Floor Cleaner

#### What is Crete Clean?

A powdered, alkaline, deep penetrating detergent designed for use on all concrete floors. Contains special wetting and penetrating agents, allowing the product to do work, saving time and labor. This product contains special low foaming detergents, allowing for auto scrubber cleanup. Will leave areas smelling fresh and clean. For use in warehouses, on plant and factory floors, plant washrooms, and the like.

#### Benefits:

- Removes the heaviest soils.
- Contains all non-hazardous ingredients, making for easy handling and storage.
- Can be applied manually or can be diluted into solution.
- Removes heavy grease and oils from deep cracks and imperfections in floors.
- Will not leave behind any residue.

#### Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

For heavy duty cleaning, disperse Crete Clean directly onto floor surface. Allow product to sit for 5-10 then rinse. For optimal results wet floor first, then disperse product. This allows for great surface penetration.

If a mop bucket application is desired, mix 1-6 ounces of product per gallon of warm water. Mix till completely dissolved. Wash then rinse. More concentrated solutions may be required depending on the quality of the floor being cleaned.

#### Tech Specs:

Color.....White  
 Fragrance.....Faint  
 Form.....Powder  
 Phosphates.....None  
 FlashPoint.....NA  
 pH.....NA  
 Specific Gravity.....NA  
 Viscosity.....Free Flowing  
 Foam.....Moderate  
 Biodegradable.....100%  
 Shelf Life.....1 Year

#### Available Packages

0365-50	450lb Drum
0365-40	40lb Pail
0365-25	25lb Pail
