Powdered Citrus Floor Cleaner

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

FLOOR CARE

Citra Scrub

Powdered Citrus Floor Cleaner

What is Citra Scrub?

A powdered, alkaline, deep penetrating detergent designed for use on all concrete floors. Contains special wetting and penetrating agents, allowing the product to do work, saving time and labor. This product contains special low foaming detergents, allowing for auto scrubber cleanup. Will leave areas smelling fresh and clean. For use in warehouses, on plant and factory floors, plant washrooms, and the like.

Benefits:

- Removes the heaviest soils.
- Contains all non-hazardous ingredients, making for easy handling and storage.
- Fortified with citrus agents for enhanced cleaning.
- Can be applied manually or can be diluted into solution.
- Removes heavy grease and oils from deep cracks and imperfections in floors.

Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

For heavy duty cleaning, disperse Citra Scrub directly onto floor surface. Allow product to sit for 5-10 then rinse. For optimal results wet floor first, then disperse product. This allows for great surface penetration.

If a mop bucket application is desired, mix 1-6 ounces of product per gallon of warm water. Mix till completely dissolved. Wash then rinse. More concentrated solutions may be required depending on the quality of the floor being cleaned.

Tech Specs:

Color.....Yellow
 Fragrance.....Citrus
 Form.....Powder
 Phosphates.....None
 FlashPoint.....NA
 pH.....NA
 Specific Gravity.....NA
 Viscosity.....Free Flowing
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages
