

High Pressure Performance Cleaners

Non Toxic, No VOC's
100% Biodegradable

Environmentally Preferred Cleaner

House & Gutter

Gutter Cleaner *Plus* Odor Guard

CORE 3

Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

What is **ODOR GUARD**?
Odor Guard is a revolutionary new way to control and combat malodors while cleaning.

ECOWASH

ECOWASH

House & Gutter Gutter Cleaner *Plus* Odor Guard

What is House & Gutter?

House & Gutter is a revolutionary new product formulated for the cleaning professional. This incredible product uses the power of a foaming action to improve the quality, speed, and safety of vertical cleaning. Heavy foam levels allow the detergents, builders and chelates to dwell longer on the surface which results in a cleaner surface and less heavy scrubbing. Great for use on building exteriors as well as gutters and carbon run-off. House & Gutter is formulated with **Odor Guard Technology** for added performance.

product benefits:

- ★ Removes black carbon runoff from roofs.
- ★ Will not harm aluminum gutters or window casings.
- ★ Foam indicates where cleaning has been done.
- ★ Safe for use on all wood and siding.
- ★ Removes embedded dirt and soils.
- ★ Great all-in-one cleaner.
- ★ Formulated with odour counteractants.
- ★ Environmentally Safe & Biodegradable.

Directions For Use:

Read MSDS and test in a small inconspicuous area. This product is not recommended for use with Sodium Hypochlorite (bleach).

Dilution Instructions:

Container Size:	55 Gallon Drum Add to water	30 Gallon Drum Add to water	5 Gallon Pail Add to water
Normal Cleaning	1.5-2 Gallons	64-128 Ounces	10-20 Ounces
Heavy Duty Cleaning	4-5 Gallons	2-4 Gallons	40-64 Ounces
Ounce Conversions	1 Gallon=128 Ounces	1 Quart=32 Ounces	1 Cup=8 Ounces

Once product is mixed, apply to desired surfaces. Foaming will allow solution to work longer and more effectively on the surfaces, requiring less labor and less cleaning solution. Rinse with the least amount of pressure possible needed to get the surface clean. Warm water can allow for better performance and expedited rinsing. Use caution when using heat on various substrates.

Available Packages	
0368-275	275 Gallon Tote
0368-55	55 Gallon Plastic Drum
0368-30	30 Gallon Plastic Drum
0368-15	15 Gallon Plastic Drum
0368-5	5 Gallon Plastic Pail
0368-4	4 Gallon Case
0368-QT	12 x 32oz Quart Case
