## Restore All Natural Restoration Cleaner

### What is Restore?

A premium non fuming, non-corrosive acid based concrete & masonry cleaner. This product will remove rust and other mineral stains from aggregate and other natural stones. This product goes to work immediately and is harmless on most paints and finishes when used as directed. This special blend allows for safer handling, decreasing costs of flat surface maintenance.

### product benefits:

- ★ Non Fuming, Non Hazardous.
- ★ Starts working immediately.
- ★ Releases stains and oils from concrete and masonry.
- ★ Dissolves rust from concrete surfaces.
- ★ Can be used on any masonry and concrete surfaces.
- ★ Easy Rinsing.
- ★ Environmentally Safe & Biodegradable.

### Directions For Use:

Always read MSDS before using. Make sure to use proper protective clothing when applying any chemical.

Apply chemical using a foaming wand or chemical foaming tip. Dilute product with up to 4 parts water depending on the quality of the surface being cleaned. Surfaces that have not been cleaned regularly, may require a stronger solution or multiple applications. Allow to dwell and then rinse well.

Once product is mixed apply to desired surfaces under low pressure when possible. Heavy foam will allow solution to work longer and more effectively on surfaces, requiring less labor and less chemical. Rinse with a high pressure rinse. Using cold water will help and expedite rinsing.

### Special Use Precautions:

- Do not use on aluminum surfaces. If so, rinse quickly.
- Do not allow to dry on glass.
- Always test product in an inconspicuous area first.
- When using on vertical surfaces, may etch any stone and concrete that is below the cleaning area.
- When spot cleaning, the treated area will be cleaner than surrounding areas.
- Never use on areas that have been recently treated with bleach (sodium hypochlorite).

Available Packages	
0506-275	275 Gallon Tote
0506-55	55 Gallon Plastic Drum
0506-30	30 Gallon Plastic Drum
0506-15	15 Gallon Plastic Drum
0506-5	5 Gallon Plastic Pail
