# Barrel Brite

## Truck, Trailer, & Fleet Wash Detergent

### What is Barrel Brite?

Is a premium special non fuming, non-corrosive high foaming acid based concrete truck & barrel cleaner & brightener. This product will remove concrete from trucks, forms, equipment, and from mixers. This product goes to work immediately and is harmless on most paints and finishes when used as directed. This special blend allows for safer handling, decreasing costs of repair and maintenance on vehicles. Great for use in automated and drive through systems.

### Benefits:

- Goes to work immediately. There is no reaction time needed.
- Special foaming action allows chemicals to work longer.
- Non-fuming formula.
- Non Hazardous, allowing for easy use and storage.
- Will remove rust without attacking vehicles metals.
- Contains special inhibitors for metals.

### Instructions:

Apply chemical using a foaming wand or chemical foaming tip. Dilute product with up to 4 parts water depending on the quality of the surface being cleaned. Surfaces that are have not been cleaned regularly, may require a stronger solution or multiple applications. Allow to dwell and then rinse well.

Once product is mixed apply to desired surfaces under low pressure when possible. Heavy foam will allow solution to work longer and more effectively on surfaces, requiring less labor and less chemical. Rinse with a high pressure rinse. Using cold water will help and expedite rinsing.

### Safe For Use On

- ✓ Glass
- ✓ Chrome
- ✓ Aluminum
- ✓ Clear Coats
- ✓ Trucks
- ✓ Trailers
- ✓ Hard Surfaces
- ✓ Concrete

Available Packages
