

Food Service & Restaurant Cleaning Solutions

EcoSuds

Premium Manual Pot & Pan Detergent

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

DISHWASHING

EcoSuds

Environmentally Preferred Pot & Pan Detergent

What is EcoSuds?

A mild detergent that is easy on hands. Leaves them silky and smooth. Premium concentrate that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases.

Benefits:

Consult your local representative for specific use instructions.

Dish: Use 8-10 ml. per rack during the washing cycle.

Laundry: Use 2-4 oz. per 50 wt. laundry during the suds cycle.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Notes to Physician: Treat symptomatically and supportively. Consult a doctor and/or the nearest Poison Control Centre for all exposures.

"EPA/Safer Choice recognition does not constitute endorsement of these products. The Safer Choice logo signifies that the products' formulas, as Synthetic Labs has represented it to the EPA, contain ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Synthetic Labs, its integrity and good faith, for information on the products' composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the products' formula, nor evaluated any of Synthetic Labs's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the products' human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding."

Tech Specs:

Color.....Blue
 Fragrance.....Green Apple
 Form.....Liquid
 Phosphates.....None
 Flash Point.....No Data
 pH.....7-8
 Specific Gravity.....1.01
 Viscosity.....Moderate
 Foam.....Moderate-High
 Biodegradable.....100%
 Shelf Life.....Apx. 1 Year
 pH.....2-3
 Specific Gravity.....1.03

Available Packages

0638-275	275 Gallon Tote
0638-55	55 Gallon Plastic Drum
0638-30	30 Gallon Plastic Drum
0638-15	15 Gallon Plastic Drum
0638-5	5 Gallon Plastic Pail
