Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

HAND CARE

Caribbean Body Wash

Thick Foam Hand & Body Wash

What is Caribbean Body Wash?

A thick foaming hand & body soap specially formulated for use through bulk foaming dispensers. Provides lubrication while helping to remove dirt from skin. Rinses quick and easy without sticky residue.

Benefits:

- Great for use in gyms.
- Will not drip out of bottom of dispensers.
- Coconut based.
- Great for use in any bulk dispensing system.
- Easy rinsing.
- Contains emollients and other skin softeners.

Directions For Use:

Wet hands and forearms

Apply 5 milliliters (teaspoonful) or palmful to hands and forearms and any other bodily surface to be cleaned. Scrub thoroughly for 1 minute and rinse. This product must be dispensed from adequate dispensers located a sufficient distance from processing lines to prevent accidental product contamination.
