

High Pressure Performance Cleaners

ACID CLEANER

Magnum

Polished Aluminum Cleaner

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

ACID CLEANER

Magnum

Concentrated Acid Based Aluminum Cleaner & Brightener

What is Magnum?

A ready to use heavy duty acid cleaner for use in cleaning polished aluminum and stainless steel. This product will effectively remove heavy stains, soot and road films as well as remove the corrosion and oxidation from the polished surfaces. Contains inhibitors that will protect surface from pitting and etching.

Benefits:

- Cleans and brightens polished aluminum.
- Removes buildup of carbon soot on contact.
- Removes white rust pitting and stains.
- Will not tarnish or fade polished surfaces.
- Saves time on refinishing surfaces.

Instructions:

Always read the SDS before handling this or any chemical. Always prewet surfaces before applying chemical. Always make sure to have proper PPE when handling this or any chemical.

MAGNUM must be used straight. Diluting product may cause etching and pitting of polished aluminum surfaces. Never apply to hot surface. Apply MAGNUM to a cool surface under low pressure (40-50 psi). Apply bottom to top with applicator to an area that is manageable, making sure that the product does not dry on surface.

To Rinse, apply cold water at high pressure to wet surface, cleaning from bottom up making sure that the nozzle is within close proximity of the surface being cleaned. Always do a final rinse from top to bottom.

Great For Use On:

- ✓ Trailers
- ✓ Fuel Tanks
- ✓ 3rd Rails
- ✓ Weather Aluminum

Available Packages	
1008-55	55 Gallon Plastic Drum
1008-5	5 Gallon Plastic Pail

Tech Specs:

Color.....Clear
 Fragrance.....Acidic
 Form.....Liquid
 Phosphates.....None
 Flash Point.....212°F
 pH.....1
 Specific Gravity.....1.03
 Viscosity.....Thin
 Foam.....Moderate
 Shelf Life.....1 Year
