

Building & Facilities Maintenance Solutions

CARPET CLEANER

Fiber Rinse

Fiber & Textile Neutralizing Rinse

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

CARPET CARE

Fiber Rinse

Fiber & Textile Neutralizing Rinse

What is FiberRinse?

Safe to use on natural and synthetic carpets. Helps prolong dyes and colors in fabrics and textiles. Neutralizes the effects of alkali cleaners to prevent browning and synthetic breakdown.

Benefits:

- Safe for use on all natural fibers.
- Helps prolong colors.
- Helps reduce salt and calcium deposits.
- Economical formula.

Directions For Use:

1. Prepare the Area: Remove any obstacles and debris from the area to be neutralized.
2. Dilute one ounce per gallon.
3. Test a Small Area First: Before neutralizing the entire carpet, test the cleaning solution on a small, inconspicuous area to check for any adverse reactions like color fading or damage.
4. Follow Proper Technique: Start from the farthest corner of the room and work your way towards the door to avoid stepping on the freshly cleaned carpet. Overlapping strokes can ensure thorough cleaning.
5. Proper Drying: Allow the carpet to dry completely before walking on it again. Ensure good ventilation in the room to speed up the drying process and prevent mold and mildew growth.

Tech Specs:

Color.....Turquoise
 Fragrance.....Fresh
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....2-3
 Specific Gravity.....1.01
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages
