With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

DRAIN CLEANER

Bact Treat

Enzymatic Drain & Septic Treatment

What is Bact Treat?

A modern environmentally designed formulation to unclog sewers, drains, and septic fields. Will break-down and aid in the organic build-ups without the use of caustics, acids, solvents, or any regulated hazardous ingredients. Enzyme/bacteria mixture selected for optimum effectiveness of dissolving and breaking down waste and to keep systems running at their optimum efficiency. (Regular use is suggested.)

Benefits:

- Concentrated Formula.
- Naturally Breaks Down Bacteria.
- Excellent For Routine Maintenance.
- Can Be Used For Residential And Commercial Applications.
- High Bacteria Counts.
- Safe For All Systems.

Instructions:

Read MSDS and test in a small inconspicuous area.

FOR SEPTIC TANKS & CESSPOOLS: Pour down any drain in the house 1/2 cup monthly for each person using the system. Older or overtaxed systems may require more.

FOR DRAINS & PIPES: To clean lines and avoid build-ups, pour 4 ounces down kitchen drain and 2 ounces down each other drain weekly. Flush with warm water.

SAFE FOR GARBAGE DISPOSALS: Pour 2 ounces in disposal weekly to avoid build-up and control odor.

Tech Specs:
