Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

CARPET CARE

B-Gone

Enzymatic Carpet Cleaner & Odor Eliminator

What is B-Gone?

B-GONE uses the power of enzymes to eliminate organic stains and odors naturally. B-GONE breaks down and destroys the organic process, helping restore surfaces to their initial state. Fresh scent and special odor encapsulators help capture and eliminate airborne odors. Will leave carpets and rooms smelling fresh and clean.

For Use On:

- Stain-resistant carpet
- Upholstery
- Draperies
- Bedding
- Mattresses
- Clothing

Instructions:

CARPET AND HARD SURFACE SPOT REMOVER: Always check for color-fastness before applying. Apply directly to the stain. **CARPET:** Remove Dry Contamination and lose soil. Test surface for color fastness. Clean area and rinse affected area, removing as much moisture as possible. Apply B-Gone onto the problem area making sure area is completely covered. **SPOT CLEANING:** Remove dry contamination and lose soil. Test surface for color fastness. Mix 1 part B-Gone with 2 parts water. Apply to needed area and clean as usual.

Note: Do not use with hot water, bleach, disinfectants or harsh chemicals, as they will interfere with the bioenzymatic process.
