With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

RESTROOM CARE

ProBowl

Clinging Heavy Duty Acid Bathroom Cleaner

What is ProBowl?

This non fuming ready to use phosphoric acid bowl cleaner will cling to the surfaces of toilet bowls and urinals to remove magnesium scale, iron and rust stains. It also kills odor and disease causing bacteria.

Benefits:

- Powerful Acid Formula.
- Non fuming.
- Cleans on contact.
- Clings to surfaces for added cleaning ability.

Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area.

Spray directly on to surface. Allow time for product to work. Rinse with water.

Make sure to use proper protective clothing when applying this or any chemical.
