Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

AUTODETAILING

2431 New Look

Interior Vehicle Dressing

Revives Vehicle Interiors To New Look Condition

What is 2431 New Look:

Maintains a natural look and feel for your interior surfaces, effectively dusting and lightly cleaning them while delivering protection from harmful UVA and UVB rays. Interior Detailer is safe for use on vinyl, leather, wood, painted trim, metal, carbon fiber, and plastic. Get a natural, crisp, streak-free, original OEM finish with no greasy feel or residue.

Product Use Benefits:

- Cleans deep into the leather surfaces.
- Will not dry out leather.
- Safe for use on a variety of interior vehicle surfaces.
- Does not leave behind any residue.
- Leaves surfaces with a like new appearance.

Application Instructions:

For best results, do not apply in direct sunlight and make sure the surface is cool to the touch before applying. Shake well.

Spray onto the surface, working one section at a time. Use a clean microfiber towel to gently wipe the area clean.
