With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

DETERGENT

Oxy Det

Detergent with All-Fabric Bleach

What is Oxy Det?

A laundry detergent specially formulated to combat tough grease & oils by utilizing the power of oxygen bleach. Frontier Oxy Det will quickly loosen tough-embedded soils while emulsifying grease and oils. This special product will quickly brighten fabrics while being safe on colors. Formulated with controlled foam levels to support any high efficiency application.

Benefits:

- Utilizes fabric-safe bleach
- Free rinsing formula allows for quick, complete rinsing.
- Concentrated formula allows for lower price per load cost.
- Controlled foam for HE applications.

Directions For Use:

DO NOT MIX WITH OTHER CHEMICALS

Before use, read product label and Safety Data Sheet.

Separate laundry into different classifications.

Add the appropriate level of laundry to the machine.

DO NOT OVER LOAD.

Add the appropriate level of Detergent for 50 lbs. of laundry:

Light Soils: 2-4 oz.

Medium Soils: 4-6 oz.

Heavy Soils: 6-8 oz.
