Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# PRE-SPOTTER

## B-Gone Grease & Oil

### Heavy Duty Laundry Pre-Spotter

#### What is B-Gone Grease & Oil?

A powerful laundry spotter that has been specially formulated with emulsifiers, alkali builders, and solvents to quickly penetrate, breakdown and remove heavy duty petroleum stains.

#### Benefits:

- Loosens tough embedded oils.
- Free rinsing formula.
- Extremely versatile product.

#### Precautionary Statements:

For institutional or commercial use.

#### Spotting Board Instructions:

Check all fabrics for colorfast before using!  
Apply directly to stain. Work in thoroughly until stain loosens. Flush with wet steam, then dry with air gun.

#### Laundry Instructions:

Apply directly to stain, and let stand for at least an hour (the longer, the better).

Wash in hot water, 140 for colors and 165 for whites.

#### Dry Cleaning Instructions:

Apply directly to stain.

Laundry through a dry cleaning machine.
