Powdered Alkali CIP Cleaner

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

SURFACE CLEANING

CIP

Powdered Heavy Duty Alkali CIP Cleaner

What is CIP?

A heavy duty caustic cleaner for use in CIP systems, and soak tanks to remove heavy build up from proteins, fats, oils, and grease. Excellent for removing carbon from non aluminum surfaces. USDA applicable. Meets USDA standards for cleaners.

Benefits:

- Incredible non foaming formula.
- Highly concentrated for economical dilutions.
- Cleans and removes build up in one shot.
- Versatile enough to clean virtually any non aluminum surface.
- Can be used for boil-outs, soak tanks, and heavy cleaning applications.

Instructions:

For institutional or commercial use.

Before use, read product label and Safety Data Sheet.

Cover or remove all food products from area to be cleaned. Remove gross accumulation of meat particles, soil and other waste materials from surfaces and equipment.

Dilute product 1/2 oz to 4oz per gallon of water. Circulate through system until desired cleaning has been achieved. Flush system then rinse thoroughly with potable water.

For boilouts dilute 2 to 8 ounces per gallon depending on build up. Scrub with a brush if needed.

Do not use on aluminum, tin or zinc-plated surfaces. Pitting or surface deterioration may result.

Tech Specs:

Color.....Clear
 Fragrance.....Characteristic
 Form.....Powder
 Phosphates.....None
 FlashPoint.....212F
 pH.....14
 Specific Gravity.....1.12
 Viscosity.....Thin
 Foam.....None
 Biodegradable.....100%
 Shelf Life.....1 Year
