Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PROTECTANTS

Showtime

High Foaming Surface Protectant

Produces Vibrant Fragrant Foam Through Foam Applicators

What is Showtime?

A concentrated lubricating vibrant foam especially designed to polish and shine as it cleans. This formula is free-rinsing and contains UV protection. Adds water repellency increasing performance and quality of the drying cycle. Formulated with Ceramic Guard Technology.

Product Use Benefits:

- Produces high foam
- High foaming for increased customer appeal.
- For use through a high foam bubbler applicator.
- Adds water repellency to clearcoats.
- Contains polymers for added long lasting protection.
- Prepares surfaces for drying cycle.

Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems

Dilutions:

Tunnel System: 1:150-300
Automatic or Rollover: 1:150-300
