

Building & Facilities Maintenance Solutions

SURFACE CLEANER

PeroxiClean

Concentrated Peroxide Surface Cleaner

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

MULTI-SURFACE

Peroxi Clean

Concentrated Peroxide Based Surface Cleaner

What is Peroxi Clean?

Peroxi-Clean is a one of a kind cleanser formulated with surfactants to dissolve and suspend soils in water. The Oxygen triggers the surfactants and increases efficiency. A pleasant citrus odor penetrates fibers and surfaces sending the cleaning agents deep into the soils and stains. Peroxi-Clean destroys odors while providing color safe bleaching action. This cleanser will give you superior cleaning capabilities given sufficient contact time. Peroxi-Clean is formulated for optimal performance when used at the prescribed dilutions. One product replaces individual glass cleaners, spray and wipe cleaners, degreasers & mopping solutions.

Instructions:

Spray on surface to be cleaned and wipe off with damp cloth. Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

All dilutions must be done using cold water.

Dilution:

Regular Cleaning: 1:32 (4 oz. per gallon)

If using a portable dilution center, connect Peroxi-Clean to portable device, fill container, and then flush system if incompatible materials will be used.

Make sure to use proper protective clothing when applying this or any chemical.

Improper use or dilution may lead to increased risk of health effects. Please follow label directions.

Tech Specs:

Color.....Clear
 Fragrance.....Citrus
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....2-3
 Specific Gravity.....1.03
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages	
4306-55	55 Gallon Plastic Drum
4306-30	30 Gallon Plastic Drum
4306-15	15 Gallon Plastic Drum
4306-5	5 Gallon Plastic Pail
4306-4	4 Gallon Case
4306-2L	2 Liter EZ Fill System
