### *Technology*

*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# DRYING AGENTS

## Chamois Dry

Premium Concentrated Drying Agent

Forces Water To Break From Surfaces

### What is Chamois Dry?

A premium concentrated drying agent and spray wax. This product will deliver quality beading and drying at an economical dilution. Hydrophobic drying aids repel water to quickly dry vehicle surfaces. Chamois Dry enhances any wax or sealant coat for improved longevity with a high-gloss shine. Versatile enough to be used in almost any car wash application. Available in a variety of fragrances.

### Product Use Benefits:

- Economical use.
- Water beads almost instantly from surfaces.
- Great for use in hard water applications to improve drying results.
- Can be used in any wash system.
- Performance is not effected by climate, season, or temperature.

### Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems
- Manual Applicators

### Dilutions:

Tunnel Wash System:	1:250-1:400
Automatic or Rollover:	1:250-1:400
Manual Drying Agent:	1:250-1:400
