PROTECTANTS

Ultra 768

Concentrated Total Vehicle Body Protectant
Contains Carnuaba For Added Performance

What is Ultra 768?

A premium drying agent and complete surface protectant in one product. Contains special polymers, builders, and siliconized carnauba that not only bead water from the surface during the drying cycle, but will provide protection to glass and surfaces after the vehicle has dried. Contains UV protectants for added protection.

Product Use Benefits:

- A complete surface protectant in one product.
- Provides clear coat protection and shine.
- Can be used as a single step product in most wash systems.
- Great for use in all water conditions.
- Contains Carnauba for added protection.

Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems
- Manual Applicators

Dilutions:

Tunnel Wash System:	1:400-1:800
Automatic or Rollover:	1:400-1:800
Manual Drying Agent:	1:400-1:800
