Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

MULTI-SURFACE

KLEEN GREEN

Ready To Spray Surface Cleaner

What is AP Kleen Green?

A product formulated to naturally degrease and lift soil for complete and safe removal from virtually any hard surface. This versatile product contains detergents, pleasant citrus odor and special emulsifiers to make it one of the most sought after cleaners on the market today. Can be used in virtually any application from schools, to institutions, to restaurants.

Benefits:

- Concentrated formula
- Leaves behind no residue
- Safe on all surfaces
- Quickly removes grease & oil
- Eliminates heavy scrubbing
- Butyl free formula
- Easy to rinse

Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Always rinse food contact surfaces after cleaning

Make sure to use proper protective clothing when applying this or any chemical.
