Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PRE-SPOTTER

B-Gone Rust Out

Heavy Duty Rust Remover & Laundry Spotter

What is B-Gone Rust Out?

A powerful laundry spotter that has been specially formulated with emulsifiers, acid, and solvents to quickly penetrate, breakdown and remove heavy duty rust and oxidation stains.

Benefits:

- Loosens tough embedded oils.
- Free rinsing formula.
- Extremely versatile product.

Precautionary Statements:

For institutional or commercial use.

Spotting Board Instructions:

Check all fabrics for colorfast before using!

Apply directly to stain. Work in thoroughly until stain loosens. Flush with wet steam, then dry with air gun.

1. Identify the stain
2. Blot the stain gently with a clean cloth to absorb excess material.
3. Apply stain remover directly to the stain.
4. Let the stain remover sit for the recommended time (usually 15-20 minutes). The longer, the better
5. Gently rub the fabric together or use a soft brush to work in the remover.
6. Wash in hot water, 140 for colors and 165 for whites.
