CORE 3

### Core 3: Personal Attention
*Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.*

### Core 3: Experience
*With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.*

### Core 3:Technology
*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# DESTAINER

# Ultra Color Brite

## Color-Safe Laundry Destainer

## What is Ultra Color Brite?

Ultra Color Brite is an all fabric bleach which eliminates a wide range of stains. This product contains a high level of laundry grade hydrogen peroxide. Will not harm fabrics like chlorine bleach.

## Directions For Use:

For institutional or commercial use only. Before use, read product label and Safety Data Sheet. Consult your local Synthetic Labs Representative for specific use and setup instructions. If unsure of use or dilution of product, do not use until proper use is known. This product is designed to injected into machinery with laundry-specific dispensing equipment.

Do not pour this product directly onto dry fabric. Inject into the presoak cycle or before adding a concentrated detergent. Make sure to use proper protective clothing when applying handling this chemical.

## DO NOT MIX WITH OTHER CHEMICALS

## Storage & Use Precautions:

Always store out of direct sunlight. Don't mix with other cleaners or chemicals. Always use and store in containers specially approved for use with bleach products. Always store with container closed properly and in a cool area.

## Tech Specs:

Color……..................Clear
