High Foaming High Pressure Presoak

CORE 3

Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PRESOAK

Vision Presoak

High Foaming High Pressure Presoak

What is the Vision Line Of Products?

A line of detergents formulated for those looking for highly concentrated products that yield an economical use cost. These vibrant high foaming products are recommended and formulated to enhance customer appeal in manual wash applications.

What Is Vision Presoak?

An ultra concentrated foaming liquid presoak that is used for high-pressure applicator settings in a self-serve car wash. Used with a premixing or direct feed metering system and applied to the entire automobile surface with a high-pressure spray gun. Product can be prediluted 5 gallons concentrated mixed with 10 gallons of water depending on the tip being used.

Product Use Benefits:

- High pH for added performance.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
- Helps prepare surfaces for protectant applications.
- Safe to handle and store.

Dilutions:

Manual Detergent Gun: 1:200-1:400

Use Recommendations:

- Manual Wash Systems
