Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

FACILITY MAINTENANCE

D-Grease

Heavy Duty Multi-Surface Cleaner & Degreaser

What is D-Grease:

A butyl based degreaser designed for professionals to remove heavy dirt and grease from surfaces and equipment. Works on all surfaces from painted walls to masonry, brick, ceramic tile and stainless steel. Great for use on microfiber towels as a prespray for degreasing.

Available Packages	
0350-55	55 Gallon Plastic Drum
0350-30	30 Gallon Plastic Drum
0350-15	15 Gallon Plastic Drum
0350-5	5 Gallon Pail

Application Instructions:

Foam product onto surfaces when possible. Allow to dwell for 5-10 minutes then high pressure rinse.

Equipment & Heavy Cleaning: Undiluted -1:10
 General Surface Cleaning: 1:10-1:20
 Floor Cleaning: 1:10-1:20

Many applications may require a heavier application initially before a regular maintenance program is in place. Always make sure to wear proper protective clothing when applying this, or any product.
