With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

TIRE DRESSING

Black Beauty

Multi Purpose Solvent Based Tire & Trim Dressing

Provides Shine & Protection To Tires & Trim

What is Black Beauty?

An economical long lasting solvent based tire dressing. This advanced formulation will leave a long lasting deep shine on tires after application. Special silicones will not leave behind a sticky residue, eliminating the buildup of dust and dirt on wheels and tires. Quick leveling and fast drying prevent build up and spotting on surfaces.

Product Use Benefits:

- Economical use formulation.
- Easy leveling.
- Easy to apply through manual or automated applicators.
- Special high gloss formula.
- Will not splatter or run.
- Non flammable.

Use Recommendations:

- Automated Applicators
- Automotive Detailing

Application Instructions:

For automated application systems, pull directly from drum making sure pads are not saturated. For manual applications, spray and wipe or apply with a detailing sponge.

Available Packages	
1048-55	55 Gallon Drum
1048-30	30 Gallon Drum
1048-5	5 Gallon Pail
1048-4	4X1 Gallon Case

Tech Specs:

Color.....Purple	Specific Gravity.....0.94
Fragrance.....Faint	Viscosity.....Thin
Form.....Liquid	Foam.....None
Phosphates.....None	Shelf Life.....1 Year
Flash Point.....137°F	
pH.....NA
