

Complete Automotive Protection

THE SHINING

ProShine

Premium Water Based Tire Shine

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

TIRE DRESSING

Proshine

Premium Water Based Tire Shine

Provides Shine & Protection To Tires & Trim

What is Pro Shine?

A concentrated water based tire dressing, formulated for use on all trim, rubber and tires. This product goes on clear, eliminating imperfections caused by variable and uneven applications. Over application will not result in white streaks once the vehicle has left the facility. Highly viscous to prevent the "scattering" of the dressing once the vehicle is in motion.

Product Use Benefits:

- Water based for easy application.
- Can be diluted for economical applications.
- Leaves behind a deep clean shine.
- Easy leveling and application.
- Can be used as a dressing for on site detailing centers.
- Safe to handle and store.
- VOC Free.

Use Recommendations:

- Tunnel Wash Systems
- Automated Applicators
- Automotive Detailing

Application Instructions:

For automated application systems, pull directly from drum making sure pads are not saturated. For manual applications, spray and wipe or apply with a detailing sponge.

Available Packages

2433-55	55 Gallon Plastic Drum
2433-30	30 Gallon Plastic Drum
2433-15	15 Gallon Plastic Drum
2433-5	5 Gallon Plastic Pail
2433-4	4X1 Gallon Case
2433-QT	12x32oz Quart Case

Tech Specs:

Color.....White	Specific Gravity.....1.00
Fragrance.....Faint	Viscosity.....Moderate
Form.....Liquid	Foam.....None
Phosphates.....None	Shelf Life.....1 Year
Flash Point.....212°F	
pH.....7
