Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

BODY SHAMPOO

FX

High Foaming Vehicle Shampoo

Lubricates Surfaces & Brushes With A Rich Neutral Foam

What is FX?

A high foaming liquid neutral detergent that provides lubrication to any brush or cloth system to help eliminate scratching and friction. Foam will break fast making rinsing fast and easy. This product can be applied through a foamer or onto the bristles as a direct lubricant.

Product Use Benefits:

- Neutral pH will not interfere with other products.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
- Helps prepare surfaces for protectant applications.
- Safe to handle and store.

Dilutions:

High Pressure Soap: 1:200-1:350
 Foam Applicator: 1:100-1:250

Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems
- Manual Wash Systems
