Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PROTECTANT

Vision Protectant

Vehicle Surface Protectant & Drying Agent

What is the Vision Line Of Products?

A line of detergents formulated for those looking for highly concentrated products that yield an economical use cost. These vibrant high foaming products are recommended and formulated to enhance customer appeal in manual wash applications.

What Is Vision Protectant?

An ultra concentrated clear coat sealer that will provide surface protection and luster to any clear coat surface. Provides enough drying power to be used as a one step product or can be used in conjunction with a drying agent in a double arch system. Will aid in slowing the build up of dirt and road film on the surface.

Product Use Benefits:

- Dries, seals, and protects in one step.
- Provides clear coat protection and shine.
- Can be used as a single step product in most wash systems.
- Great for use in all water conditions.

Use Recommendations:

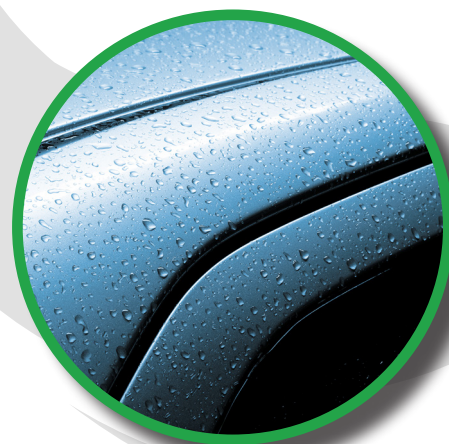

- Manual Wash Systems
