Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# DRYING AGENTS

## Ultra782

Super Concentrated Drying Agent

Forces Water To Break From Surfaces

### What is Ultra 782?

A premium concentrated drying agent and spray wax. This product will deliver quality beading and drying at an economical dilution. Hydrophobic drying aids repel water to quickly dry vehicle surfaces. Ultra 782 enhances any wax or sealant coat for improved longevity with a high-gloss shine. Versatile enough to be used in almost any car wash application.

### Product Use Benefits:

- Economical use.
- Water beads almost instantly from surfaces.
- Great for use in hard water applications to improve drying results.
- Can be used in any wash system.
- Performance is not effected by climate, season, or temperature.

### Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems
- Manual Applicators

### Dilutions:

Premium Application: 300-450:1

Economical Application: 450-800:1
